For knitting lovers who want a high degree of flexibility! The circular knitting needle set Natural offers everything possible to use different needle gauges with variable cord lengths. The set consists of 8 needle point pairs of durable wood with a very smooth surface in gauges 4.0 mm to 10.0 mm, 4 cords in 60, 80, 100, 120 cm with two stitch stoppers and an assembly pin. By using the stitch stopper the circular knitting needles can be used as single pointed knitting needles. The complete knitting needle set is integrated into a practical bag that can be closed with a zip fastener. The front is transparent for quick viewing - the back convinces with its light brown velvet colour which matches the needles. Includes instructions for assembly or separating the needle points from the cord.
