Product information

Ironing cloth

Art.Nr.: 136-0611929-000000 / GTIN: 4002276119291 / Brand: Prym

Material:	100% Baumwolle
Item measurement:	45x50 cm
Farbe:	weiß

The thin, white pressing cloth in coarsely woven cotton protects delicate and printed fabrics from developing an undesired glossy surface because of too high a heat setting on the iron. Since the cloth is transparent when wet, it is ideal for accurate ironing and steam-ironing. During steam-ironing the cotton absorbs the moisture and releases it again underneath. The cloth is 45 x 50 cm in size. This allows even relatively large surfaces to be gently smoothed.
