Product information

addiEi Knitting Machine

Art.Nr.: 101-0088020-000000 / GTIN: 4016431088025 / Brand: addi

Sales unit: 1 St

The popular knitting machines addiExpress and addiExpress Kingsize have had offspring - the addiEi. Not for consumption but for a lot of fun there is this small knitting machine with 6 needles for 3-4 mm thick yarn. Knitting cords are finished in no time.

This completes the addi knitting machine family for the time being, and we can't wait to see what addi fans conjure up with it.

The instruction manual and weight are included in the package.
