winding instead of knitting

The brand new addiExpress Kingsize book contains great new knitting instructions for sweaters, hats, scarves, home decoration and a lot more - all done with the knitting machine . The knitwear designer Ute Krugman has created 24 wonderful , exclusive models . The yarns are a long term offer of the manufacturers . From summer jumpers to children room carpets and home decoration is something in there for every fan of the addiExpress Kingsize knitting machine . The beautiful new imagery and detailed instructions make the book a real inspiration for the next christmas presents .
