Product information

Seileverbinder

Art.Nr.: 118-0010510-000000 / GTIN: 8904086201615 / Brand: KnitPro

Material:	Messing vernickelt

Product information

A useful tool for combining two cables together. Extremely useful while handling large projects. These cable connectors come with a tightening slot for a secure join.

Packaging:

Set of 3 Connectors with 1 Cable key

IMPORTANT:

A cable key should always be used to tighten the connector to the cable. It is very important to make the connection very tight otherwise the connector could become loose and the knitting might unravel.
