Product information

Tunesische Doppelhäkelnadel

Art.Nr.: gs2657 / Brand: addi

Length:	15 cm
Material:	Aluminium

Product information

A practical supporter for the Tunisian crocheting handicrafts trend - the double-headed crochet hooks from addi. They have two hook heads and are made from sturdy aluminium. The surface is crafted to be super smooth so that the yarn slides well. These double-headed crochet hooks fit comfortably in the hand and are super lightweight. They are made in sizes 2 - 6 mm (US 0 - 10) - and of course with “Made in Germany” quality.
