Product information

Feinstricknadel Novel viereckig

Art.Nr.: gs7177 / Brand: addi

Product information

Unique fine knitting needle in square design with round edges. The Lace tips with the surface structure Novel allow effortless knitting, are easy on the joints, relieve elbows and shoulders and also massage the hands. A more even knitting pattern is guaranteed. The fine shiny needles become a pure pleasure in every hand.

Of course, Made in Germany.

Material: Brass white bronzed, square with rounded corners and Novel structure and extra fine Lace tips, lasered with size on both needle tips
