Product information

Feinstricknadel hochglänzend

Art.Nr.: gs7757 / Brand: addi

Material: Messing hochglänzend

Product information

The subtle difference. Fine yarn can be knitted very well due to their fine tips. The stitches glide perfectly with their smooth surface and fine transitions. Picking up stitches is a joy thanks to the longer tips. For better recognition, the lace needles also come with red, printed cable.

Of course, Made in Germany.

Material: Brass tips (125 mm) white bronzed with two lace tips and red addi rope
