Product information

addiClick Novel Lace Short tips - the interchangeable knitting needle tips are also available in an ergonomic design. Square tips with rounded edges and a textured surface ensure good ergonomics when knitting, even under high demands.

The extra fine lace points are perfect for knitting fine yarns and patterns. The Novel structure also ensures a particularly even stitch pattern when knitting.

Combined with an addiClick Lace Rope in the desired length (60 cm, 80 cm, 100 cm, 120 cm and 150 cm), you can put together any length combination yourself in no time at all. The tips can be combined with all addiClick ropes.

Material: Brass tips (125 mm) white bronzed with Lace tips
