With the Rope Yarn from Woolly Hugs you can put them all in your pocket ! You will definitely catch admiring glances for your very personal, homemade everyday companion. Use the trendy bag yarn to crochet original bags for strolling through town, smart bags for sportswear, pretty baskets for odds and ends, shoppers for shopping or stylish backpacks. And it's not just the result that's practical: you'll find the instructions for crocheting the bag right on the inside of the band - you can get started straight away. Home decorations, runners, carpets or bean bags can also be made quickly and easily with the yarn.
