Product information

Häkelnadel Bamboo Natural

Art.Nr.: haekel_b_cg / Brand: ChiaoGoo

Material: Bambus

The ChiaoGoo Crochet Hooks are made of carefully selected and high-quality natural woods, have a perfectly shaped hook and are ergonomically designed for fatigue-free crocheting. Due to the materials used, the needles are also extremely light and, because the smooth surface, lie very comfortably in the hand.
The bamboo natural crochet hooks size 4.0 to 11.5 mm have a Chinese symbol with the English translation (wisdom, freedom, peace, love, faith, bless, fortune, long life, joy) printed on.
The perfectly shaped heads of the needles deserve special attention. They make it very easy to take up the yarn. For bigger sizes (from 15.75 mm) wood is used for stability reasons.
