## Seil SPIN Nylon

Art.Nr.: seil_nylon_cg / Brand: ChiaoGoo

The transparent SPIN cables are made from nylon and rotate freely at the joints, which prevents the cables from being twisted to increase the knitting pleasure signifi - cantly. The SPIN nylon cables are available in S (small) and L (large). All SPIN cables have a small hole in the connecting piece through which the connection can be tightened with the help of a tightening key and the end stoppers can be fastened to secure the knitting projects.
