Product information

auswechselbare Nadelspitzen SPIN Bamboo Patina

Art.Nr.: icn_bamboo_cg / Brand: ChiaoGoo

Sales unit:	2 St
Material:	Bambus

SPIN Bamboo Patina interchangeable tips use transparent nylon cables which rotate freely. This feature is a real innovation for knitters, as it prevents the twisting of the cables and increases the quality of the knitting experience signifi cantly. The SPIN Bamboo Patina interchangeable tips are made from Chinese Moso bamboo. The Moso bamboo is regarded as the world‘s largest and strongest bamboo. Only in China does it reaches its optimal growth height of up to 30 meters. Its special features are one of the secrets of the ChiaoGoo bamboo needles. The patina effect is achieved through a special heat refining process. The products of the SPIN series can also be equipped with the patented red cables, which are already established as the trademark of ChiaoGoo.
