Product information

Nadelspiel Edelstahl

Art.Nr.: dpn_edelstahl_cg / Brand: ChiaoGoo

ChiaoGoo

Sales unit:	5 St
Material:	Edelstahl

The Premium Stainless Steel Double Points are made of high-quality „surgical grade steel“, are hypoallergenic and therefore suitable for sensitive hands. The needles have perfectly shaped tips and are precisely tapered which allows the yarn to flow with ease. Due to the material, the needles are extremely resilient, yet surprisingly light with a matt, silky shimmering surface. The needles reflect no light, which allows comfortable knitting.
The needle thickness is permanently laser imprinted on each needle.
