Product information

Rundstricknadel KNIT RED Edelstahl

Art.Nr.: fcn_knit_red_cg / Brand: ChiaoGoo

Material: Edelstahl

The circular knitting needles KNIT RED Premium Stainless Steel are made of a very high-quality stainless steel. This stainless steel is also suitable for particularly sensitive hands. Needles 30 cm or longer are ergonomically shaped to prevent hand fatigue.
The needles are ideally balanced and have perfectly shaped tips and seamless transitions. The yarn flows almost effortlessly through the tapered needles on the rope.
Due to the material, the needles are extremely durable, yet surprisingly light with a matt, silky shimmering surface.
The needles do not reflect light, allowing
a comfortable knitting. In addition, the special surface finish ensures perfect yarn slippage over the needle.
The patented red premium cables are not only the namesake of the series, but also the hallmark and quality feature of ChiaoGoo.
The red nylon coated flexible and highquality

Product information

multi-strand steel cables allow the yarn to flow perfectly. The cables are very space-saving wrapped in the packaging, but unfurl uncomplicated after unpacking and have no memory effect.
The needle size is lasered on each needle permanently.
