Product information

Spitzenschutz

Art.Nr.: tulac044e / Brand: Tulip

Sales unit: 2 St

By putting the point protectors on, double point needles can be used as single point needles with knob. The protectors keep your stitches
from slipping off the needle when you put your work down. The protector is light, easy to put on and will not slip off. Tulip-shaped point protectors will not roll off the table, unlike rounded and conical ones. Select your favorite colors from many color options.

- The point protector has a roll stopper.
- The protectors keep your stitches from slipping off the needle when you put your work down or carry it.
