Product information

Kordelnadeln

Art.Nr.: tultbk001e / Brand: Tulip

Item measurement: sortiert

Boutis is a traditional French quilting, where two layers of fabric are quilted together with cotton stuffing placed between sections of the design, in order to give a raised effect.
Boutis needles are especially designed for "cording", a process in boutis to pull cotton threads between fine stitches for stuffing, with round needle tips to
avoid breaking the fabric, and a long needle eye that is easy for thick thread to go through.
