Pompoms

Rowan Pompoms ...are handmade, using 100% vegan fibres and are 100% animal friendly.

Wonderfully tactile and luxuriously soft, our heavenly pompoms are the ideal alternative to fur. Each Pompom has a ribbon so that it can be easily attached, and offers the perfect finishing touch to your knitted or crocheted accessories. From the first cut to the last seam, our pompoms are 100% handmade and are available in many beautiful shades.
