Product information

Display Sensa Green 40

Art.Nr.: display_sg_dd / Brand: Madeira

Material: 100% Lyocell

Sensa Green 40

- New: the first quilting- and embroidery thread made of 100% natural lyocell
- Feel how sensationally soft this thread is!
- Lyocell fibers are completely biodegradable
- Botanic origin—derived from trees grown in sustainably managed forests
- Sensa Green is completely recyclable, it is certified free of harmful substances and is one of the world's most sustainable threads

Product information

- Slightly finer than other 40 weight threads, making it ideal for detail and monogram embroidery
- Recommended needle: embroidery needle NM 75-80
