KnitPro pays tribute to the meditative art of knitting with this set of 15cm double point needles in sizes 2.0-5.0mm, ideal for projects of knitting lace and fingering weight yarns. An inspiring word is printed on each of the 5 needles, per size, to help knitters focus on the benefit of the ancient craft of knitting. In a separate zippered pouch there are wool needles, a needle gauge and a variety of stitch markers.

The Mindful Collection double point needles are made of stainless steel. The needles are produced in an Eco-compliant facility and all packaging is made of natural materials. All KnitPro knitting needles are manufactured in a family-owned company that supports human rights and inclusion.
