Art.Nr.: massband_seeknit / Brand: Seeknit

Length:	1,50 m
Material:	Plastic

Seeknit Tape Measure

- Simply pull the tape measure to lock the measurement in place. Pulling the tape while pressing the button will reduce the mechanical noise.
- Press the button on the case and the tape will be automatically wound up.
- A compact tape measure is easy to carry in your pocket or pouch and isconvenient to use when you want to measure something on the go.
- The tape is flexible, so it can be used not only to measure straight lengths,but also to fit around round objects

Material: ABS case, PVC fiberglass tape
