Product information

Koshitsu Circular Needles

Art.Nr.: rundstr_seeknit_koshi / Brand: Seeknit

Material: Bambus

All of our circular needles feature a flexible rotating joint that prevents twisting, allowing for smooth knitting. Circular needles will save time on tube knitting projects compared to using straight needles. All our circular needles feature a rotating swivel cord that prevents from twisting, so you can enjoy knitting comfortably.

Circular needles can be used for all tube knitting projects such as sweaters and hats, and for other non-circular projects such as shawls. Circular needles with short cords can be used for small projects such as mittens, socks, sleeves, baby hats, wrist warmers, and leg warmers. Our metal parts made of brass is nickel-free.
