Product information

Service Kit Nähmaschine und Overlock

Art.Nr.: 210-6743612-000000 / GTIN: 4895126743612 / Brand: Hemline

Use regularly to keep a machine operating at peak performance. Large soft brush cleans out the bobbin and feed teeth. Small screwdriver is for bobbin case tension adjustment. Larger screwdriver can be used more generally for making sure screws are always tight.
