Art.Nr.: 180-0004500-000000 / GTIN: 0812208025439 / Brand: ChiaoGoo

Item measurement:	2,75 -10 mm
Length:	13 cm

Product information

The Forté 2.0 interchangeable set includes eight [S] join tips made of an elegant combination of carbon fiber and sleek stainless steel AND six [L] join tips made from blackwood and stainless steel. The set also includes six SWIV360TM interchangeable cables and three red [S] TWISTTM cables. Silver in color, the SWIV360 cables have the same properties as the much-loved red and blue TWIST cables PLUS an added swivel feature!

The case is just as elegant and functional as the tips and cables. Made of REACH compliant man-made material, the case includes a double-sided, removable needle board that firmly houses all tips; elastic that securely holds but gives easy access to accessories; and four pockets to hold the rest of your knitting supplies including a pattern or notes. And, true to our other interchangeable cases, this too is book-style with a full zipper enclosure to ensure that nothing falls out.

It's an exceptional value for all that is included!

- 14 pair of 5” (13cm) tips in sizes US2-15 (2.75-10mm) (eight pair of stainless steel/carbon fiber [S] join tips AND six pair of stainless steel/blackwood [L] join tips)
- Three each, memory-free, multi-strand steel SWIV360 [S] & [L] cables to make 24”/60cm, 32”/80cm and 40”/100 cm circulars (or longer when joined with an included cable connector)
- Three of the ever popular red, memory-free TWIST [S] cables for knitters preferring a smoother transition over the swivel action
- Accessories: stainless steel scissors, four end stoppers, 20 stitch markers, measuring tape, two tightening keys, four cable connectors, one heart-shaped gripper, two darning needles, two [L] to [S] adapters, a swatch/needle gauge, pen, and accessories tin.
