Oslo is a beautiful leather case from muud providing you with a convenient and protective storage space for your pointed needles. The case keeps your needles perfectly paired, organised and accessible – both at home and on the go.

The Oslo case is made by hand in the most beautiful quality leather, uniting beauty and function. It is durable and age with grace.

The case has room for 14 sets of pointed needles from sizes 2.5 mm – 5 mm and closes with a button. It’s the perfect choice for anyone who loves quality craftsmanship and great design.

- Made of genuine leather
- 14 compartments for 14 sets of pointed needles
- Button closure
