Oslo XL is a beautiful leather case from muud providing a convenient and protective storage space for your pointed needles. The case keeps your needles perfectly paired, organised and accessible – both at home and on the go.

The Oslo XL case is made by hand in the most beautiful quality leather, uniting beauty and function. It is durable and age with grace.

With a total of 18 compartments, the roomy XL case has room for 18 sets of pointed needles from sizes 2.5 mm – 5 mm and closes with a button. It’s the perfect choice for anyone who loves quality craftsmanship and great design.

- Made of genuine leather
- 18 compartments for 18 sets of pointed needles
- Button closure
