Stavanger is an elegant and practical knitting bag made from genuine leather. The bag is a must-have knitting accessory for the on-the-go knitter who doesn’t want to compromise on the style and quality of the bag.

The beautiful bag is made by hand in premium leather giving the bag an elegant and timeless look. The bag features small, practical pockets in the interior and on the exterior enabling you to neatly organise your accessories. The large compartment is roomy and offers plenty of storage space for your current knitting project.

The Stavanger crossbody bag is much more than a knitting bag. Use it as a toiletry bag when you’re going travelling. Or as a beautiful and timeless everyday bag for a day in the city.
