Helsinki XL from muud is a stylish leather cube designed for the discerning knitter who wants to keep accessories such as needles, stitch markers and buttons perfectly organised. Those small items that otherwise often get lost or end up at the bottom of a bag.

At muud, we believe that your knitting and crochet accessories deserve beautiful storage – when you're at home and on the go. With Helsinki XL, we have designed a practical cube uniting function and aesthetics. The cube is made by hand in premium quality leather and can easily be mixed and matched with other products from one of muud's collections. The soft leather adds an exclusive and authentic look to the design.

The cube has a zipper closure and a small practical interior pocket.

- Made of genuine leather
- Interior pocket for small accessories
