Summer Knit for Kids

Spring and summer are the time for knitwear in light cotton and linen yarn qualities. Our summer collection for kids has many possibilities for suitable knitwear for bright days, but it can also be used the rest of the year.

Here you will find the Jolly sweater with rainbow stripes, the melange Willow sweater, the Dune sweater with a lovely, structured pattern, and the Sailor sweater, which has matching shorts. If you want to knit a dress, you will find both the Fiona dress and the Lola dress in the collection. We have also crocheted the Pebble bag, which we think is so nice for the summer together with the Daisy cardigan and the Molly tee with puff sleeves. There is a lot to choose from here. Knit one or more favorites, play with colors and qualities, and make it your own.

Duo, Line, Tynn Line, Mandarin Petit

SandnesGarn magazines are only available in combination with the yarn qualities and should not be sold individually to end customers.
