The Bequest Tunisian Crochet Set contains the 6 most popular sizes of hooks.
The Tunisian crochet hooks are made of ebony, one of the world’s most precious and valuable woods. Just like all the needles and crochet hooks, the Tunisian crochet hooks have liquid silk finish that ensures a snag free glide and crochet experience.
The meticulous finish on the hook ends ensure easy manoeuvrability and forward stitch passing. The connecting join between the cord and hook is snug and smooth to enable stitches to move easily.
