15cm (6''): The 5 sets of the most often used double point needle sizes (2.00, 2.50, 3.00, 3.50 & 4.00mm) in the useful 15 cm length. Their lightweight and smooth finish makes these shorter length needles perfect for narrower knit-in-the-round projects, such as hats or socks. Each set of 5 (per size), is organized and stored in a stylish grey fabric case that is sure to be noticed.
