Description:
Bella is a beautiful cross-body bag from muud. With its clean and elegant silhouette, this round bag is the perfect accessory for anyone looking for a fashionable bag crafted with quality details.

Bella is a functional cross-body bag that can be used in many ways. The bag is a smaller version of the popular Saturn bag from muud, making it the perfect on-the-go project bag for anyone who loves embroidering, crocheting, or knitting – and with a diameter of 23 cm, it will even fit a 21 cm embroidery hoop.

The bag features two zipped compartments, each with pockets for storing smaller items, such as a phone and smaller accessories that otherwise often get lost or end up at the bottom of your bag.

Carry the bag over your shoulder or crossbody by adjusting the shoulder strap. The shoulder strap is detachable and can be removed when needed.
