Bturn from muud is a stylish project bag perfectly crafted for the creative maker. Designed with practical compartments, the bag keeps your equipment within reach – even when you’re on the go.

The design of the bag is inspired by the classic Saturn bag from muud. However, with three spacious compartments, Bturn provides even more storage options.

Bturn is the perfect accessory for anyone looking for a beautiful bag with multiple functions without having to compromise on quality or design. The bag features three practical compartments, keeping your knitting, crochet, and embroidery equipment neatly organised - and with a diameter of 23 cm, the bag even holds an 21cm embroidery hoop.

Bturn is created to make your everyday life a little easier. The top compartment is designed with a zipped pocket to keep your small needlework essentials, such as stitch markers, needles and measuring tape, perfectly organised. muud accessories are designed to be mixed and matched. This means that you can easily add other muud items for extra organisation.
