Product information

Double Pointed Needles Jadore Cubics

Art.Nr.: dpn_jadore_kp / Brand: KnitPro

Sales unit:	5 St
Material:	Holz
Color:	lila

Just like its name, the first thing to come to your mind is how much you love or adore them. These beautifully colored double pointed knitting needles come in 2 lengths, either 15 or 20 cm. They are available in a full range of sizes (2.0- 8.0 mm), ideal for a wide variety on round projects. Our cherished customers tell us that the shape of these double points are easy one the hand and helps keep stitches from slipping off the needle. No doubt this is much appreciated by the, sock and knit-in-the-round knitters who like the grip of these unique needles.
