Product information

Single Pointed Needles Jadore Cubics

Art.Nr.: spn_jadore_kp / Brand: KnitPro

Sales unit:	1 Paar
Material:	Holz
Color:	lila

Pure and pristine like its name, J’adore single pointed needles are a beautiful way to start knitting. These elegant single pointed cubic knitting needles remind us of magic wands of lavender. They were created for the many knitters who like the familiarity of back and forth “flat” knitting.

The smooth cuboid shape of these needles gradually gives way to beautifully shaped and pointed tips that work well with all yarns.
