Our in-house colorists have a knowledge of the shifting moods and behavior of dye that has been developed through generations of experience and their own focus and refinement. Thanks to their gentle harness of the hand-dyeing process, we are able to introduce Viva, our versatile machine-washable merino yarn, in an array of more than 80 stunning semisolid and variegated hues.

Viva is ideal for everything from lightweight garments and accessories to home-décor comforts like pillows and throws. The
