Detachable case made from beautiful leather

The Carita C is a practical case made from the finest leather. It offers great storage space for organising your double pointed needles. It is detachable, so you can either take it with you when you are out and about, or you can attach it to the Carita bag like a document in a ring binder.

This beautiful leather case does not compromise on style or practicality. The case is secured with two round metal rings that can be attached to the Carita case.

- Quality leather
- Practical pocket
- For double pointed needles
