Beautiful small leather case
The Carita E is a detachable case crafted from exquisite leather. It is a handy item that you may carry alone while on the move or fasten it to the Carita bag, treating it as a document in a ring binder.
This elegant leather case provides both style and functionality in a single package. The Carita E features compartments designed to store your knitting needles. The case is equipped with two metal rings which can be attached to the Carita case to keep it secure.

- Small leather case
- Bring on its own or in the carita case
- Made from beautiful leather that ages with beauty
