Material:	100% Wolle
Sales unit:	50 g

Product information

Length:	ca. 105 m
Color:	col. 3837 red brick
Farbe:	rot

The same yarn as for merino wool, but with KlompeLOMPE's own color palette. The different colors can be beautifully mixed.

Merino wool not only provides excellent insulation, but the structure of its fibers also wicks moisture away from the body, retaining warmth even when damp. Merino wool can absorb up to 30% of its own weight in water before it feels wet.

The yarn is superwash treated, so it can withstand frequent machine washing.
