Some may like it soft – and for them, Black & White is the ultimate choice. This blended yarn has been specially designed to offer an incomparably fluffy wearing sensation.
Comprising 50% wool, 28% cotton, and 22% polyamide, it combines the best properties of these materials for a result that promises pure coziness.
With Black & White, you can knit wonderfully loose winter sweaters that feel like diving into a sea of cotton balls. But not only that – it's also perfect for cuddly scarves, snugly loops, and stoles that flatter the neck and convey a sense of luxury.
