Pamper your baby‘s skin with our exquisite Baby Micro yarn, a blend of 50% polyacrylic and 50% polyamide. This specially designed yarn not only provides exceptional softness but also outstanding durability for the unique needs of the delicate skin of babies and toddlers.
The super-soft touch of Baby Micro makes every touch with this yarn a delicate experience. The unique combination of microfiber and polyamide creates a pleasant texture that caresses even the most sensitive skin. This yarn is ideal for crafting baby blankets, onesies, hats, and other lovingly designed accessories that provide warmth and comfort to your little
