The Zing Starter Set of interchangeable needles is ideal for aspiring as well as experienced knitters. The 5 pairs of needles are available in popular sizes for most knitting projects. High-quality lightweight aluminium needles assist with effortless crafting. The precise tips and smooth surface work with all kinds of yarns while the joint between the needle and cable prevents snags. The vibrant shades bring joyous energy that encourages you to explore endless project possibilities. The color-coded needles make it easy to identify as well as organize. The set includes 360° swivel stainless steel cables and
