Detachable needle case

The perfect addition to your Carita case, designed to keep your knitting needles and double pointed knitting needles securely organized. This detachable organizer features elastic bands that ensure your needles are held firmly in place, preventing tangles or misplacement.

The Needle case is made from high-quality materials, providing durability and matching the stylish elegance of the Carita case. Whether you are knitting at home or on the go, this bag ensures your needles are always neatly organized and easily accessible.

Features
Interchangeable circular needles
Double-pointed needles
Crochet hooks
