Saturn Limited Edition has been designed with an exclusive shoulder strap. This special edition retains the timeless elegance and high functionality of the original Saturn design, while the addition of the shoulder strap offers a new level of comfort and practical use.

The Crossbody bag is designed with thoughtful details that make it easy to take your creative projects on the go. You can also use it as stylish yarn storage at home or as an elegant toiletry bag when you travel.

With practical pockets on both the inside and outside, the project bag provides ample space for most of your equipment. The knitting bag is also designed with two small openings by the zipper, so you can keep your yarn in the bag while you knit. This way, you avoid your yarns getting tangled.
