Braided shoulder strap in leather and metal

The Caja XL is a detachable shoulder strap that you can add to any bag, whether it is your own project or another bag that you own.

This shoulder strap is made from our genuine leather and metal that is braided. This gives your bag a more edgy look.

The Caja XL shoulder strap is ideal for adding to your DIY project, and pairs perfectly with the Caisa, an attachable strap holder.

Features
Braided shoulder strap in leather and metal
Detachable shoulder strap
Ideal for DIY projects
