Arendal from muud is a beautiful, handcrafted project bag in premium leather, perfect for bringing your knitting projects and supplies on the go. The bag features great functional details - making it easy to bring your knitting projects with you everywhere.

The inside of the bag features a practical zipper pocket, ideal for storing small accessories. On the exterior of the bag, there’s a pocket which closes with a button. The pocket is ideal for storing your bits and bobs and making them easily accessible. The bag features two handles and a removeable and adjustable shoulder strap to accommodate your needs.

Trends come and go. At muud, we believe that solid craftsmanship never goes out of fashion and that high quality pays. The bag is handcrafted using premium leather. This gives you a durable bag that will age with beauty.
