Effi is a beautiful canvas case with zipper for everyone who loves traditional hand embroidery. The case helps you keep track of your embroidery yarns and colours – without compromising quality and design.

The Effi case is both functional and decorative. The case is handcrafted in canvas. With carefully crafted details and practical pockets, Effi makes it easy to bring you embroidery projects on the go. The case features a practical zipper closure and is suited for various purposes, e.g., for knitting and crochet tools.
