Keep your circulars and interchangeable knitting needles perfectly organised with the beautiful Stockholm canvas case from muud. A must-have accessory for advanced knitters as well as beginners.

Handcrafted in canvas, the Stockholm needle case offers both beauty and functionality. The smart design keeps your precious needles in place. The case has room for 12 sets of interchangeable knitting needles from sizes 2.5 mm – 8 mm. In addition, it features three pockets with room for wires and a large, zipped pocket for additional accessories such as scissors,

Product information

measuring tape and stitch markers. Perfect for anyone who doesn’t want to compromise on quality and design.
