Cleo Midi – The Perfect Balance Between Space and Style

The Cleo Midi from muud is the ideal crossbody bag for those who need something in between the compact Cleo and the spacious Cleo XL. Designed in the finest leather, this medium-sized version combines elegance with functionality, offering plenty of storage space without being bulky.

With its solid square shape, Cleo Midi unfolds beautifully to act as an open box on a table, making it perfect as a project bag, toiletry bag, or an everyday shoulder bag. Whether you’re heading out for a city stroll or organizing your knitting essentials, Cleo Medi offers flexibility and style.

The adjustable and detachable shoulder strap allows you to wear it comfortably as a crossbody bag, while its top handle provides an alternative way to carry it. Personalize your look further by styling it with muud's interchangeable shoulder straps like the Caia or Cala.

Inside, the Cleo Midi features two large compartments to keep your essentials neatly organized, as well as a zippered pocket for smaller items.
