NOVITA

| | |
|---|---|
| Sales unit: | 100 g |
| Material: | 100% Wolle |
| Length: | ca. 165 m |

A soft and beautifully textured yarn, Novita Arctic Wool Aran is perfect for creating wonderfully warm knits and accessories. Made with 100% carefully selected high-quality wool, it’s ideal for intricate colorwork and cable projects. The gorgeous marled colorways will lend your projects a traditionally earthy yet classically stylish look. The wool used to make the Arctic Wool Aran in the Novita Slow Fashion collection is sourced from Norway and the British Isles.
